### CAMFIELD PROJECT IS PRACTICALLY ASSURED

The board of trustees of Las Vegas grant held a meeting yesterday afternoon and ratified the nominations made for office some days ago as follows:

Jefferson Reynolds, president; Eugenio Romero, vice-president; F. H. Pierce, treasurer; Frank Roy, secretary; Pablo Jaramillo, acting inspector.

Members of the board gave the required \$5,000 bonds with the following sureties: For Jefferson Reynolds, Charles Ifeld and A. A. Jones; for Eugenio Romero, Charles Ifeld and Margarito Romero; for F. H. Pierce, Stephen B. Davis, Jr., and Chas. A. Spiess; for Judge E. V. Long, W. G. Haydon and W. J. Lucas; for Jose F. Esquibel, Mrs. Marcelina Esquibel and Jose Dario Atencio.

It is understood that D. A. Camfield, the Greeley, Colo., capitalist, whose engineers are surveying for a reservoir site near this city, will reach Las Vegas soon, probably tomorrow, when the matter of entering into a contract with him will be immediately taken up by the board.

There is no question as to the outcome of this project, as the engineers are now at work sectionizing the land under the proposed reservoir, which is mute proof that Mr. Camfield will at once place the land on the market to sell to actual farmers and small holding claims. The contract made with him by the grant board for 10,000 acres, expires on August 6.

### LAS VEGAS CONTRACTOR TO BUILD DORMITORY

Contractor M. M. Sundt, who just now has his hands full when it comes to building operations, landed another big contract today, when at a meeting of the board of directors of the New Mexico Hospital for the Insane, held at the asylum northwest of the city, the contract for the erection of an additional dormitory at this institution to cost \$16,000, was awarded him. There were several bidders, but Mr. Sundt's bid being the lowest, he landed the plum. The meeting was primarily held to let this contract, although some routine matters were also disposed of.
